

SUNACE

ENVIRONMENTAL POLICY STATEMENT

Sun Ace South Africa (Pty) Ltd is a local subsidiary of a Global Manufacturer of plastic additives and specialty chemicals and as such is committed to the supply of quality products to the sub-Saharan African market.

In my capacity as Managing Director the commitment to meeting a high degree of consciousness towards protecting the environment is facilitated by way of:

- **Prevention of pollution,**
- **Absolute compliance with relevant legislation and regulations,**
- **Developing a framework for setting and reviewing objectives and targets,**
- **Documenting, implementing and maintaining Environmental issues among all employees,**
- **Making this policy available to the public upon request.**
- **Reviewing this policy for its continuing suitability.**
